O ur past year, there have been unprecedented advances in our ability to successfully manage patients with heart failure. To meet the challenge of integrating this new information into clinical practice, the 22nd Annual San Diego Heart Failure Symposium will highlight important emerging strategies in a series of expert panelists aimed at helping the audience discover the best means of treating and preventing heart failure. The Symposium will cover a range of topics, from preventing heart failure by managing risk factors to treating heart failure in all stages. Using expert perspectives, the Symposium will provide in-depth discussion of topics ranging from drugs, to devices, to non-pharmaceutical treatments.

In order to cover the wide range of exciting topics, we have decided to expand the Symposium by adding a Friday afternoon evidences session. The Friday Sessions will present some of the most intriguing talks of the entire meeting. They will be fol lowed by an outstanding industry sponsored product theatre dinner. The site for the meeting is on 9.5 acres in the enchanting seaside community of La Jolla, less than 15 minutes from downtown San Diego. The Estancia La Jolla Hotel is only 14 miles from down town Torrey Pines Golf Course, and just minutes from the San Diego classic California coastal rancho setting, adjacent to world-class community of La Jolla at the new 21st Century Learning Retreat, plus current San Diego occupancy tax of 12.5%, $10 hospitality fee and $10 overnight parking fee.

For the purpose of recertification, the American Nurses Credentialing Center accepts 8.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the time spent in the activity. For the purpose of recertification, the California Board of Registered Nursing accepts 8.75 AMA PRA Category 1 Credit(s)™ (up to 8.75 hours of credit and list of credits as per the provider number).

The University of California, San Diego School of Medicine designates this live activity for a maximum of 8.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the time spent in the activity. For the purpose of recertification, the American Nurses Credentialing Center accepts 8.75 AMA PRA Category 1 Credit(s)™ (up to 8.75 hours of credit and list of credits as per the provider number).

FACULTY DISCLOSURE

It is the policy of the University of California, San Diego School of Medicine to ensure that all speakers be objective and scientifically accurate. All persons involved as speakers or in any other role associated with the program have been required to disclose all relevant financial relationships with any commercial entity having a direct or indirect financial interest in the subject of the presentation. Such disclosures were reviewed and, where appropriate, steps were taken to ensure an unbiased presentation.

DESIGNATION: ACCF/AHA Guidelines for the Management of Heart Failure sulfuric acid salt of aminophylline, which is available in multiple formulations, including inhalers, oral tablets, and intravenous solutions.

FACULTY

UC SAN DIEGO PROGRAM DIRECTOR
Barry G. Houser, MD, FACC
Antiochio5@esplornet.com
Medical Director, Heart Failure Program
UCSD Medical Center
San Diego, CA

GUEST FACULTY
Jaret S. Adam, MD, PhD
Infectious Disease/Allergy
VA Medical Center
Montpelier, VT and Longview, CA

Uli El-Harayri, MD, FACC
Affiliated with Medicine
University of Southern California
Los Angeles, CA

Gregg Fonarow, MD, FACC, FAPA
Director, Arrhythmia - UCLA Cardiac Arrest Center
Director, UCLA Cardiac Arrest Program
Los Angeles, CA

Peggi Kirkwood, NP
Palliative Care Nurse Practitioner
Mission Viejo, CA

Niraj Yap, MD, FACC, FACG
Professor of Medicine
Chief, Division of Gastroenterology
University of California, San Diego
San Diego, CA

Barry Greer, MD
Clinical Faculty
Mission Viejo, CA

Michael Shlipak, PhD, FRCP
Associate Professor of Medicine
Division of Geriatric Medicine
VA San Diego Healthcare System
San Diego, CA

Jordana Hub, MD
Director, Ambulatory Cardiac Pain Program
VA San Diego Healthcare System
San Diego, CA

Ned Horowitz, MD, FACC
Director, Foothill Cardiology
Cary, NC

Erik Adjo, MD, FACC
Medical Director, Cardiovascular Disease Training Program
VA San Diego Healthcare System
San Diego, CA

Vimala Malhotra, MD
Professor of Medicine
Division of Gastroenterology
VA San Diego Healthcare System
San Diego, CA

Vivek Prasad, MD, MPH
Clinical Assistant Professor of Surgery
University of California, San Diego
San Diego, CA

Robert H. Henry, MD
Chief, Arrhythmia - UCLA Cardiac Arrest Center
Director, UCLA Cardiac Arrest Program
Los Angeles, CA

Michelle Schellhammer, PhD, FRCP
Associate Director, Chronic Kidney Disease Research Center
VA San Diego Healthcare System
San Diego, CA

Bogo Silvano
Director, Ambulatory Cardiac Pain Program
VA San Diego Healthcare System
San Diego, CA

Ned Horowitz, MD, FACC
Director, Foothill Cardiology
Cary, NC

Rana Tsou, MD, FACC, FASA
Professor of Medicine
Chief, Division of Gastroenterology
VA San Diego Healthcare System
San Diego, CA

Debasish Majumdar, MD, MS
Clinical Professor of Medicine
Cardiovascular Medicine Training Program
UC San Diego
San Diego, CA

ADDITIONAL DINNER SESSION - MINI SYMPOSIUM - (NON-CME)

SATURDAY, JUNE 18, 2016
3:40-4:10pm
“Use of SGTL 2 Inhibitors to Prevent Cardiovascular Disease”
Victor Pretorius, MBchB
Chief of Pulmonary, Critical Care and Sleep Medicine
VA San Diego Healthcare System
San Diego, CA

“Percutaneous Approaches for Treating Mitral Regurgitation”
Robert W. Enriquez, MD
Director Fellow ship Program
Division of Cardiology
UC San Diego
San Diego, CA

“Superiority of a Novel Therapy to a Standard of Care Medication”
Barry Greer, MD
Director of Cardiac Electrophysiology
VA San Diego Healthcare System
San Diego, CA

FRIDAY, JUNE 17, 2016
2:45-3:11pm
Registration/View Exhibits/Refreshments

FRIDAY SESSIONS

3:45-4:00pm
Use of GLT2 inhibitors to Prevent Cardiovascular Disease
Robert R. Houser, MD
Director, Heart Failure Program
UCSD Medical Center
San Diego, CA

4:05-4:20pm
Pericardial Effusions in CHF Patients
Urs El-Harayri, MD
Director, Cardiology Program
VA San Diego Healthcare System
San Diego, CA

4:25-4:40pm
Questions and Answers
6:15-7:00pm
Adjourn

ADDITIONAL FRIDAY SESSIONS - MINI SYMPOSIUM - (NON-CME)

Saturday, June 18, 2016
2:45-3:11pm
Registration/View Exhibits/Refreshments

SATURDAY SESSIONS

11:00-11:20am
“New in Disease Therapy”
Roger S. Yacoub, MD
Director, Cardiovascular Research
UCSD Medical Center
San Diego, CA

11:25-11:40am
“Breaking Down the Best Heart Failure Readmissions”
Peggy Kikawada, RN
Director, Nursing Operations
UCSD Medical Center
San Diego, CA

11:45-12:00pm
“Device to Decrease Wasting Capacity: Can They Adapt? The Course”
Gregg Fonarow, MD
Director, Arrhythmia - UCLA Cardiac Arrest Center
Director, UCLA Cardiac Arrest Program
Los Angeles, CA

12:05-12:20pm
“Percutaneous Resynchronization After Heart Failure Hospitalization”
Peggy Kikawada, RN
Director, Nursing Operations
UCSD Medical Center
San Diego, CA

12:25-12:40pm
Lunch - Pacifica Ballroom Foyer
6:15-7:00pm
Adjourn

ADDITIONAL DINNER SESSION - MINI SYMPOSIUM - (NON-CME)

SATURDAY, JUNE 18, 2016
3:40-4:10pm
“Use of Hydralazine/Nitrates in HF FrE F Patients”
Jonathan Hsu, MD
Director, Cardiology Program
VA San Diego Healthcare System
San Diego, CA

 ensuite, including breakfast sessions, optional sessions throughout the day, and additional events at evening. The program includes sessions on the latest advancements in heart failure management, current research, and practical applications in clinical practice.
